

Im Rahmen des Englisch-Unterrichts bei Frau Utke wurden in den 6. Klassen Geschichten über unsere Schulkuh AMACKA erfunden und natürlich auch ins Englische übersetzt. Hier für Euch zwei besonders gelungene Beispiele dieser Aktion:

The adventures of the cow Amacka No. 1

Once upon a time a cow, her name was `Amacka`, lived on a big farm in Kandern-Hammerstein. She was bored, so she started to walk away from home. She walked behind the train "Chanderle" along the track until Rümmingen.

The next day she started to walk again and she went over the hill. She came to the city Lörrach and stopped in front of a big picture with a Milka-cow. She wanted to find her and she finally came to a farm and saw her. The Milka-cow said: "You are looking like me, I want you to be my girl-friend."

From this moment on they stayed together. But Amacka was jealous, because the Milka-cow could give hot chocolate and she could only give milk. Amacka thought about what she could do better than the Milka-cow.

Then she had a good idea. She went back to Kandern and drew very nice August-Macke-pictures. Amacka visited the Milka-cow once a month. After one year she gave birth to a baby cow. His name is Milkamack. They all lived happily ever after.

Viele liebe Grüße
von der echten
AMACKA
